GOOD NEWS FOR HOMEMAKERS

Leisurely Summer Fashions Combine Fresh Looks with Easy Care

Fashion forecasters predict a summer of crunched, crinkled fabrics and calf-high pants, skirts and T-shirts in a wide variety of treatments and prices. Throughout, the emphasis is on comfortable, easy-care styling.

Shorts have dropped to Bermudas, clam-diggers and gaucho pants are the season's calf-ticklers. Long pants are narrow and cuffed above the ankle, or soft and full with tethered ankles. The influence of painter pants, pilot and parachute jumpsuits is transformed into a sleeker, cleaner look, often tied at the waist in drawstring fashion and at the ankles.

Longer-length skirts and dresses give a slim appearance, but swingy inverted pleats enhance sides, front or back. Look for ribbon ties, pin tucking. All around, back- or tummy-hugging yokes are fashion newcomers.

Tunics, designed to go over narrow pants or soft underskirts, are side-tied. Loose apron and kimono wraps are alternatives.

Overall detailing includes caro- and sweatshirt-type pouch pockets. Ribbon bands, elastic, drawstrings and sashes replace hardware, such as big zippers and clasps.

White and cream are the basic colors, surrounded by clear, mid-tone shades. Ongoing denim varieties are seen in white, mint green and rose.

Frontrunners in machine-washable cotton and cotton blends include homespuns, muslins and gauze. Choose the rumpled, wrinkled look complete with imperfections, or the trimmer linen and shantung textures.

Knits imitate the woven look. Surface interest is boosted with synthetic blends, stitch techniques and brushing. Lighter and lacier, even classic doubleknits can be sheer and gauze-like. Denim-look knits turn up quilted, printed or with a pre-washed effect.

Prints offer impressionistic use of color without specific patterns. Geometrics take on movement such as a stair-step pattern. Some create a patchwork motif without black outlines. Wood-block prints use chic fashion photos. Stripes are everywhere and on everything, from delicate pins and giant ombres to crinkled tweeds. And, border designs mirror the multicolored influences of Guatemala and Mexico.

Speed Hint

Do not purchase, keep or use canned food if it is leaking or if the ends of the can are bulging. Discard any cans of food that has an unusual smell or appearance. Don't taste contents, because botulism spores could be present. Food poisoning caused by the toxin produced by these spores is the deadliest kind.

RECIPE OF THE WEEK

Strawberry Salad

1 Family size cherry gelatin
1 large can crushed pineapple
3 or 4 ripe bananas(mashed)
1 lb. fresh strawberries (or 2 frozen packages)
1 large carton sour cream

Take 2 cups boiling water, add to cherry gelatin - add pineapple, strawberries and bananas. Put half in dish and congeal. Spread sour cream over it. Pour balance of gelatin mixture over it and congeal.

Getting all your adventure from TV?

Instead of getting your excitement from watching the exploits of others, you could be having some of your own.

By driving a tank. Or jumping out of a plane. Or learning to sleep in the rain.

Or by learning a job you never thought you could do. Or doing a job you never thought you would go.

Or simply by putting on a uniform and getting satisfaction from an old-fashioned feeling that you're doing your best in the service of your Country.

TOBACCO GROWERS REMINDED TO REPORT ACREAGE

According to James R. Ford, Jr., Chairman of the Appomattox County ASC Committee, fire-cured and sun-cured tobacco growers are asked to report their 1976 planted acreage. Mr. Ford stated that this report should be made at the ASCS office as soon as possible after plantings are completed, but not later than June 30.

"Failure to report acreage by June 30 will cause a grower to receive a 100% penalty marketing card, lose history credit and price support," Ford said.

He also stated that acreage reports are not required for burley and flue-cured tobaccos, however growers of these types will need to report as to whether or not DDT, TDE, toxaphene, or endrin was used after the tobacco was planted in the field; also flue-cured growers are required to report if any discount variety tobacco was planted.

4-H CLUB REPORT

Miss Burk's 4-H Club met May 13, 1976 with Dennis Fleshman, president, presiding. We started off with the pledge to the American and 4-H Flag. Then Lisa Puckett led us in a game of four corners. Ricky Carter, secretary, read the minutes of our last meeting.

Then the meeting was turned over to Mr. Goldman and Mr. Sweet. They gave out 4-H camp applications for Holiday Lake 4-H Camp, July 19-23, 1976. We were shown slides on poster contests, and on a dog show. Mr. Godlman talked to us about the Appomattox 4-H Dog Show, sponsored by Lawson Ford. It will be held Tues., June 1, 1976 at the Appomattox Middle School Football Field. We then went outside and Mr. Sweet showed us a trained dog.

The meeting was adjourned by Dennis Fleshman.

Appomattox Hardware Employee Retires

E. Howard Johnson, after nineteen years of employment at the Appomattox Hardware Company, Inc., retired from his position there effective May 31, 1976.

Johnson worked in the service department repairing and installing furnaces and applicances while with the local hardware store. Prior to his joining Appomattox Hardware, he worked for 18 years with Burrus Land & Lumber Company as Manager of the Ralco Store in Prospect.

He is married to the former Erma Price of Pamplin and they are the parents of one son and two daughters. They all live in Appomatox.

Johnson says he plans to hunt and fish and do very little work on the side. He plans to enjoy retirement, and he should, but he will be missed at Appomattox Hardware by fellow workers as well as by his customers.
